Important Disclosures:

Award Disclaimer:
Citywire Americas is a leading publication for the US Offshore and Latin American investor community. SFA received the Citywire's "Best Customer Service" (Award) in November 2025. Firms of all sizes serving international or Latin American clients were encouraged to apply. No fee was paid to participate. The evaluation process was based on an in-depth survey highlighting the services, structure and business model and an investment proposal for a hypothetical client, providing a comprehensive financial strategy to address the client's overall wellbeing, goals and needs. More information can be found here. The Award should not be construed by a client or prospect as a guarantee to experience a certain level of results if SFA is engaged, nor should it be construed as a current or past endorsement of SFA by any of its clients.
